## WORK EXPERIENCE

● Jan 2024- Feb 2024

**Bharat Intern | Bhubaneswar**

**Web Development Intern**

I acquired foundational skills in HTML, CSS, and JavaScript, enabling me to create responsive and dynamic web pages. Additionally, I gained practical experience in version control with Git and learned the basics of web development frameworks, setting a strong foundation for my journey in building robust and interactive websites.

## PROJECTS

● Jul 2023 - Present

**Food Ordering Portal (FoodKart)\_**

Food Ordering Portal is designed as a Web Portal where anyone can order food directly from Restaurant , Can see price details, and rating of that particular dish and can Track also How much time it will take to reach food to customer.

**Technologies Used :** HTML , CSS, JavaScript
